Before diving into a text, determine your purpose:

- Are you reading to gain a general overview?
- Are you analyzing arguments critically?
- Are you seeking specific information?

Clear goals guide your approach, helping you decide whether to skim, scan, or read in detail.

- Previewing the Material

Skimming the table of contents, headings, summaries, and visuals provides a mental framework. This process:

- Activates prior knowledge.
- Sets expectations.
- Prepares your mind for what's to come.

- Active Reading Strategies

Active reading involves interacting with the text through various methods:
