Sections and Question Types

The test is divided into several sections, each designed to evaluate distinct comprehension skills:

- Literal Comprehension
 - Questions that require recalling facts directly stated in the text.
 - Example: "What is the main character's name?"
- Inferential Comprehension
 - Questions that demand reading between the lines.
 - Example: "Why do you think the character made that decision?"
- Evaluative Comprehension
 - Questions that involve critical thinking and personal judgment.
 - Example: "Do you agree with the author's point of view? Why or why not?"

Format and Administration

- The test is usually administered orally or in written form.
- Instructions are clear, guiding the respondent to read passages carefully before answering.
- The total duration varies but typically ranges between 30 to 45 minutes.

Scoring and Interpretation

Scoring Criteria

The test employs a point-based system, where each correct answer earns a set number of points. Some versions may weight questions differently based on their complexity.
