Over the decades, it has grown in size and scope, managing millions of dollars in assets to support the retirement needs of thousands of union plumbers and related professionals.

The fund's governance involves elected trustees representing both union members and employer associations, ensuring balanced decision-making and accountability.

Besides the core pension benefits, the fund may also offer:

- Cost-of-living adjustments (COLA)

Eligibility and Participation

Who Is Eligible?

Eligibility criteria typically include:

- Active employment as a union plumber or related trade under the jurisdiction of Local Union 447
- Meeting minimum work-hour requirements per year
- Membership in the union during employment

How to Enroll

New members automatically become part of the pension plan once they meet eligibility criteria. It is

Contributions are made jointly by union members and employers, often deducted directly from wages. The contribution rates are set by the trustees and are periodically reviewed to ensure the fund's sustainability.

Understanding the Pension Calculation

Benefit Formula

The pension benefit is usually calculated using a formula such as:

- Final Average Earnings x Benefit Multiplier x Years of Service

For example, if the final average earnings are \$60,000, the multiplier is 1.5%, and the member has 30 years of service, the annual pension would be:

- $\$60,000 \times 1.5\% \times 30 = \$27,000$

Vesting and Retirement Age

- Vesting Period: Typically, members become fully vested after a certain number of years—often five years—meaning they have a right to their accrued pension benefits.
- Retirement Age: The plan might allow early retirement starting at age 55, with reduced benefits, or full benefits at age 65.

Options at Retirement

Members can usually choose from:

- A lifetime pension payable monthly
- Lump-sum distributions (if permitted)
- Survivor benefits for spouses or dependents
