1. Delegation and Decentralization

Buffett's philosophy hinges on trusting managers and giving them the autonomy to run their businesses as if they were owners. Berkshire Hathaway's subsidiaries operate with considerable independence. Managers are incentivized through performance-based compensation and are trusted to make strategic decisions aligned with Berkshire's overall values.

2. Focus on Long-Term Value

Buffett's management style is rooted in a long-term perspective. He advocates for investments and management decisions that prioritize sustained growth over short-term gains. This approach influences how subsidiaries are run, emphasizing quality, customer satisfaction, and sustainable profitability.
